ABOUT US

What's so great about UNISONAL SOURCING and what differentiates us from other clothing manufacturers? UNISONAL SOURCING is the most progressive clothing supplying agent in Bangladesh. We focus on steady growth and are well established amongst buyers all over the globe. UNISONAL SOURCING strives as a company (buying house). Our strength comes from our long-term partnership with other compliance factories. We focus greatly on our long-term about the improvement of our garments industry. Our Collections include a variety of choices for men, and children. At UNISONAL SOURCING; design, quality and sustainability are not an issue in relation to price. We are always offering inspiring UNISONAL SOURCING at a reasonable price.

MISSION

Setting up an ethical business standard by providing a safe and rewarding work environment. Implementing eco-friendly technologies through trained and knowledgeable workforce to offer the highest level of customer satisfaction. Ensuring sustainable growth through innovation, talents and operational efficiencies.

ON TIME DELIVERY

We make sure that all our orders meet the highest standards and are delivered on time. This dedication has helped us maintain our reputation of delivering quality products within due time. No matter how big or small the project, we have always upheld our promise to customers. To ensure timely delivery, we use a highly effective project management system. This system allows us to invite all our managers and assign them tasks to do within a given time frame. The system also plays a significant role in helping our managers stay in touch with our clients. With the use of this software, we are able to share our problems, ideas, solutions, and decisions on the go. The best part is that the system is extremely user-friendly and so easy to use. Hence, is the reason why we are able to complete projects before the deadline, our clients are happy with what they get.
